The sporty thirst-quencher: ERDINGER Alkoholfrei

Whether as a reward for hard work, or a pure desire for refreshment: ERDINGER Alkoholfrei is the lively way to quench your thirst. Spicy malt notes with slightly sweet nuances harmonize with the stimulating bitterness of aroma hops. A hint of light, fruity acidity and finely sparkling carbonic acid make this non-alcoholic beverage from Erding a refreshing delight.

It also scores as a real energizer. With its isotonic properties, ERDINGER Alkoholfrei provides the body directly with valuable nutrients. It contains the essential vitamins folic acid (B9) and B12. These help reduce tiredness and B12 also promotes normal energy metabolism. Perfect for recovery!
