## **ERDINGER Oktoberfest – speciality for the festival season**

As hearty as a Bavarian beer festival: ERDINGER Oktoberfest. ERDINGER Weissbräu's brewmasters pulled out all the stops for this masterpiece. ERDINGER Oktoberfest goes down very easily – making it ideal for parties.

Smooth malt aromas combine expertly with a pronounced hop bitterness to produce a well-balanced flavour. The characteristic liveliness with gently sparkling carbonic acid results from the double maturity method, or "Bayerische Edelreifung". After the main fermentation process, the wheat beer is allowed to mature a second time in the bottle. Smooth, strong and full-bodied – ERDINGER Oktoberfest makes Bavaria's famous drinking song "Prosit der Gemütlichkeit" an irresistible pleasure.

Brewed according to the Bavarian Purity Law.
