

ERDINGER
Weißbier

ERDINGER Leicht - For calorie-conscious beer lovers.

Less alcohol, but no half measure: ERDINGER Leicht is the light alternative for beer lovers.

This light beer combines full wheat beer enjoyment with a reduced ABV of 2.8%. And it not only has half the alcohol but also around 40% fewer calories than classic wheat beers.

Its sparkling yellow color with fine yeast clouding and delicate white head are clear signals for a lively, light and fruity-fresh wheat beer. The palate detects subtle notes of Hallertau aroma hops in a symbiosis with ERDINGER's exquisite wheat beer yeast and a malty-mild finish. The sparkling carbon dioxide ensures lively enjoyment.

Alcohol 2,8% vol | **CH/100ml** 1,7 g | **BU/100ml** 0,15 BU | **Original wort** 7,9°P |
