**ERDINGER Kristall - Sparkling enjoyment.**

Crystal-clear with an inviting frothy head: this lively wheat beer specialty features fruity-fresh aromas.

With its extra portion of sparkling and energizing carbonic acid, ERDINGER Kristall is especially refreshing! Strong malted wheat notes combine with an elegant hop bouquet to round off the finish.

It gets its shining, crystal-clear appearance from intensive filtration. Those who feel traditional Bavarian wheat beer is a little too cloudy will love the clarity of this top-quality ERDINGER beer.
